GOVERNANCE

2. JURISDICTION

- 2.1 These Regulations apply equally to all the National Competitions, unless otherwise stated in the Regulations.

On the Basketball England website, you will find links to Basketball England's Rules and Regulations, the Basketball England Code of Ethics & Conduct, and other Basketball England policies and procedures (together, the "Basketball Rules"). All relevant documents can be **viewed on** the Basketball England website and should be read prior to applying for Membership of Basketball England. The Basketball Rules govern important issues such as anti-doping, safeguarding, whistleblowing, and social inclusion etc. On becoming a member, you and the club committee agree(s) to (i) comply with the Basketball Rules; and (ii) ensure that individual members of your club also comply with the Basketball Rules when taking part in any Basketball activity.

- 2.2 All games **(including on court and off court matters)** must be **conducted** in accordance with the FIBA Official Basketball Rules, unless otherwise stated in these regulations.

3. DELEGATION

- 3.1 The Executive Board has delegated responsibility for the National Competitions to the Competitions **Team**. Responsibility for the decisions of the Competitions **Team** is vested in Basketball England's professional officers.

4. AFFILIATION

- 4.1 In order to participate in any of the National Competitions, a Club must be affiliated to Basketball England **and have achieved level 1 status.**

- 4.2 Where a Club's normal home venue is situated outside England that Club shall ensure that it is affiliated to:

- Basketball England; and

- the appropriate governing body in the country in which its home venue is situated

Provided that the application for affiliation to Basketball England is endorsed and approved by the Clubs Home Country Association, a club can enter teams in Basketball England competitions.

5. NURSERY TEAMS

It is intended that Nursery Teams should primarily exist to enable young British players who are no longer Under 18, or who are exceptionally talented and therefore unsuited to play in the Under 18 competitions, to participate at a higher level. Permission for a Nursery Team to participate in the National Basketball League is therefore dependent on the operation of this philosophy, and Basketball England reserves the right to withdraw permission for a Nursery Team to participate in the National Competitions if Basketball England is of the opinion (in its sole discretion) that this philosophy is not being respected.

- 5.1 No Nursery Teams, or Clubs having any official or unofficial obligation to or connection with another Club in the British Basketball National Championship Men, British Basketball National Championship Women, National Basketball League is permitted to participate in:
 - the same Division as its Principal Team (without the prior approval of Basketball England); and/or
 - the Senior National Cup Competitions (except where the principal team competes in the British Basketball National Championship Men or British Basketball National Championship Women).
- 5.2 A Nursery Team may contract directly with Players on its behalf and novate such rights under that contract in favour of its Principal Team, provided that provisions enabling this are specified in the Player's contract.
- 5.3 A Nursery Team may use the same team name and/or the same home venue as that of its Principal Team. Where a Nursery Team does not use the same home venue as its Principal Team, the Nursery Team must use a home venue within a 11- mile radius of the home venue of its Principal Team, unless otherwise approved by Basketball England.
- 5.4 Where a Club fields a Principal Team and Nursery Team(s) in a British Basketball National Championship Men, British Basketball National Championship Women, or National Basketball League Competition, all senior players shall only be licensed for one Team, with no movement permitted between the Teams except where a formal transfer occurs (in accordance with Regulation 21 below).
- 5.5 Notwithstanding Regulation 5.4 above, any Under 23 British Player licensed for the Nursery Team, may be listed on the Scoresheet for the Principal Team during the Season ("Play-Up"). For the avoidance of doubt, there is no limit or restriction on the number of Matches an Under 23 Player can Play-Up. Players licensed by Basketball England for the Principal Team are not permitted to be listed on the Scoresheet for the Nursery Team ("Play-Down").

- 5.6 Any Under 23 Player that plays-up must participate in:
- 5.6.1 fifty percent (50%) of available Regular Season Matches for the Nursery Team to qualify for the Nursery Team play-off Matches; and
 - 5.6.2 fifty percent (50%) of available National Cup Matches to qualify for the Nursery Team finals of that tournament.

For clarity, this only applies to players in the Under 23 category.
Under 18 players can play up in a senior team without restriction.

- 5.6.3 'Available matches' include all matches on the nursery teams schedule for the duration of the players registration. The player playing up on the same day does not make the nursery team match 'unavailable'.

5.7 Any club found to have breached regulation 5.4 to 5.6 inclusive will result in the game being forfeit and recorded as 20-0 to the opposing team, with the Club to face further disciplinary action in line with the Discipline code. A fine will also be applied in line with Regulation 49.16.

- 5.8 In all other respects in these Regulations a reference to a Club shall be considered to apply equally to a Nursery Team, and Nursery Teams must conform to these Regulations in the same way as all other Clubs, unless there is a specific statement to the contrary. A Nursery Team must always promote its Matches, as if it is a standalone Club, and comply with the National Basketball League Standards.

Failure to notify Basketball England of dual membership would be a breach of these Regulations and may be referred to the Disciplinary Officer.
- 6.6 A Club Secretary may only be replaced by a mandate supported by a majority of the Directors, unless the Club Secretary resigns, in which case the existing Directors shall nominate a new Club Secretary as soon as possible.

MIGRANTS IN AMATEUR LEAGUES

The definitions of a migrant playing in amateur leagues (WNBL 1 & 2, **NBL 1**, 2 & 3) under the visa that enables them to be in the UK has been updated as follows:

Government innovation rules and guidance: <https://www.gov.uk/guidance/immigration-rules/immigration-rules-introduction>

Important definitions and considerations are as follows:

“Amateur” means a person who engages in a sport or creative activity solely for personal enjoyment and who is not seeking to derive a living from the activity.

“Professional Sportsperson” means a person who is one or more of the following:

- currently providing services as a sportsperson, or is playing or coaching in any capacity, at a professional or semi-professional level of sport (whether paid or unpaid); or
- currently receiving payment, including payment in kind, for playing or coaching, and that payment covers all, or the majority of, their costs for travelling to, and living in, the UK, or has received such payment within the previous four years; or
- currently registered to a professional or semi-professional sports team or has been so registered within the previous four years (this includes all academy and development team age groups); or
- has represented their nation or national team within the previous two years, including all youth and development age groups from under-17s upwards; or
- has represented their state or regional team within the previous two years, including all youth and development age groups from under-17s upwards; or
- has an established international reputation in their chosen field of sport; or
- engages an agent or representative, with the aim of finding opportunities as a sportsperson, and/or developing a current or future career as a sportsperson, or has engaged such an agent in the last 12 months; or
- is providing services as a sportsperson or coach, unless they are doing so as an “Amateur” in a charity event; or
- is providing services as a sportsperson or coach, unless they are doing so as a student who is studying a course.

Should a player meet any of the criteria above as a **“Professional Sportsperson”**, they will be unable to register for any league considered as amateur.

APPENDIX 4: MATCH OFFICIALS' FEES AND EXPENSES

COMPETITION	REFEREES	TABLE OFFICIALS & STATISTICIANS
NBL Division One Men	£52.00	£28.00
WNBL Division One Women & NBL Division Two Men	£43.00	£23.00
WNBL Division Two Women	£31.00	£20.00
NBL Division Three Men	£29.00	£20.00
Jnr. NBL Under 18 & Jnr. NBL Under 16	£26.00	£16.00
Jnr. NBL Under 14 & Jnr. NBL Under 12	£25.00	£16.00

For National Cup competitions or Division 2/3 Men promotional playoffs fees will be charged at the rate of the highest team taking part in the game.

The rate does not change based on whether the game is officiated with two or three referees.

For Junior NBL regular season games, the total match fee and expenses that may be claimed each game by each official shall not exceed a combined total of £37.00.

For all Junior National Cup or Playoff matches where Basketball England appoint the referees, the £37.00 max claim will not apply to ensure suitable officials can be appointed.

1. Expenses paid to officials will either be in the form of:
 - (a) Travel by Public Transport: the actual fare paid up to a maximum of second-class ordinary return; and
 - (b) Travel by Road: 45.0p per mile. This figure does not apply where the official is using a company car, in which case the rate shall be 18.0p per mile for all mileage.

All receipts for public transport should be supplied along with the expenses claim form.

2. For officials who are officiating more than one game in a day, travel expenses should be split as follows; calculate the whole journey i.e., home to first venue to second venue to home and divide these expenses equally between the two clubs. The exception to this is when a club would be charged more because of splitting the expenses equally than what they would be charged if the claim were home to venue to home. In this scenario the closer team would be charged for home to venue to home and charge the other team the balance of your travel. The same logic should be followed if travelling to more than two venues in the same day or as a result of overnight travel.
3. For all officials, a subsistence allowance of £10.00 may be claimed when an official is necessarily away from home in excess of 10 hours. (This does not apply to Basketball England National Competition Finals events).

APPENDIX 7: ALL MUST PLAY RULE

The All Must Play rule is to create a more competitive playing environment and is to encourage all players to participate during a Jnr. NBL fixture across the age groups below, where a single fixture takes place.

The rule applies in the following competitions:

- Under 12
- Under 14 Conference Age Group
- Under 14 Regional Age Group
- Under 16 Regional Competitions.

The rules are:

- Games will consist of four quarters of 10 minutes, with the first and third quarters split into four periods of 5 minutes, with the clock stopping at 5:00 and not the nearest dead ball. This is not a time out; it is a substitution only. The game shall be resumed with possession for the team who were in control of the ball at the point the game was stopped.
- For teams of 10 players, the coach can choose how they wish to rotate their players, all players must play in one five-minute period of both quarters one and three.
- For teams of 11 and 12, the coach can choose when they rotate the 11th and 12th player at their own discretion, excluding the 1st and 3rd quarters. However, the coach does not need to play these players at all.
- For teams of nine or less, a rotational schedule (Appendix 8) will be in place to rotate players in quarters one and three. Coaches will need to number their players and list this along with their playing number and name at the start of the game and given to the table officials.
- Normal timeouts will be administered however there will be no stoppages for switching players.
- If a player is injured or fouled out and the team has less than 10 players, the coach of said team shall decide on who fills this place, ensuring that the minutes are shared equally across the team.

In addition:

1. If a player has a pre-existing medical condition which may affect their ability to participate in accordance with the game rules, with the child and parent's permission, officials should be informed at the pre-game meeting, but officials don't need to know what the condition is. Reasonable adjustments can be made to enable the player to participate.
2. Both Coaches and Officials have a duty of care to ensure the safety of players. If a coach has any health or wellbeing concerns about a player during the game, they should inform an official. If a player is taken off the court, this does not necessarily mean that they cannot play for the duration of the game. Again, reasonable adjustments can be made.
3. When it comes to welfare and injuries, the head coach has ultimate responsibility in deciding what is best for the player at that specific moment. A player leaving the game can recover and re-enter the game later. If officials are in doubt over the decision of the coach, they should allow it to happen, but email nbl@basketballengland.co.uk to raise their concerns.

APPENDIX 8: ALL MUST PLAY – ROTATIONAL SCHEDULE

To be used when a team has nine or less players.

1. Teams of 10 or more can select which players they play in each period of the 1st and 3rd quarters, but no players can play in both periods of the 1st and 3rd quarter.
2. It is entirely up to the coach if they want to play players 11 and 12 at all in any part of the game.
3. Please note that teams who play a fixture with less than eight players will be liable to a fine in line with regulations 32.1.
4. A printable tracker for use on game day is available on the [BE website](#).

APPENDIX 9: ZONE DEFENCE & FULL COURT PRESS BREACH SANCTION

This sanction is applied for the following reasons:

For Zone defences being played illegally by a team in:

- Under 12
- Under 14
- Under 16 Regional
- Under 16 Conference (Quarters 2 and 4)
- Under 18 Conference (Quarters 2 and 4)

If a full court press is applied after a team is up by 20 points or more in:

- Under 12
- Under 14 Regional
- Under 14 Conference
- Under 16 Regional
- Under 16 Conference

The crew chief will call an 'officials time out' with coaches and their co-official to the centre circle and give a verbal warning that they must cease playing a zone defence or a full court press, (whichever is applied at the time) and to remind the coach(es) of the potential sanctions that will then be applied.

The coaches will then be given an additional 30 seconds to reinforce this message with their team.

Once play has resumed following the 'officials time out' any further breaches of the rule will result in the coach **being issued a bench (B) technical foul**. The opposition will be given one free throw and then play will resume.

Any further breaches of these rules will result in the coach receiving **further bench** technical fouls recorded as '**B**'. The opposition will be awarded one free throw.

A coach will not be ejected until they have received three **Bench** technical fouls '**B**'s on a scoresheet.

APPENDIX 11: GAME DAY DELEGATE ROLE DESCRIPTION

It is the responsibility of every team to provide a Game Day Delegate. Any team failing to do so shall be liable to disciplinary action.

Role of the Game Day Delegate

Both the HOME team and AWAY team must nominate a responsible adult/member of their club to act as Game Day Delegate on the day of the game.

For the home club, this must NOT be the team manager or coach, but another adult who is at the game.

For the away team, this should not be the team manager or coach, but if there is no other person is available, this role can be the responsibility of the team manager,

The Game Day Delegate must be confirmed in the Game Day Schedule that is communicated between the two teams at least fourteen days prior to the fixture, any changes need to be communicated with opposing team and officials.

The Game Day Delegate needs to fully understand the schedule and logistics of the day to be able to respond to any questions/queries during the pre-match meeting and event.

Game Day Delegate Responsibility:

1. Upon arrival at the venue, the Game Day Delegate from the home team will ask their opponents who their Game Day Delegate is and make introductions to each other.
2. Together, they will then report to the match officials at least 15 minutes before the start of the game and introduce themselves.
3. The primary responsibility of the home team Game Day Delegate is to look after the officials before, during and after the game until they leave the venue. It would be appropriate if the home and away team delegates did the job together.
4. This would include, showing the referees where the changing rooms and toilets are, directing them to the correct court, possibly offering a drink at half time and after the game.
5. During the game, each delegate will be responsible for the behaviour of all club members and spectators. If the referee needs to they will, during a stoppage in play, approach the Game Day Delegate to assist them in dealing with any problems that may occur. The Game Day Delegate is not exempt from being reported for misconduct.
6. The home team Game Day Delegate is responsible for ensuring the scoresheet is submitted to Basketball England or is given to the club administrator who is responsible for this task immediately after the game.
7. The Basketball England Code of Ethics and Conduct must be considered by the delegate at all times, and any serious incidents must be reported through the [Report It](#) tool on Basketball England's website.
8. Basketball England is totally committed to promoting anti-discrimination and the Basketball England Equality and Equity policy must be emphasised and observed at all times.

- Introduce the players / officials (coaches + team manager) from the two teams
- Prior to tip-off – introduce the referees
- Crowd engagement

Introductions:

- As the Teams enter the floor to start the warmup they should be introduced to the crowd.
- At 7 minutes (or time specified by the Game Day Delegate in the pre-game meeting) before tipoff the teams should clear the floor and be introduced. The visiting team should be introduced first, then the home team – name & number (Referees will clear floor).
- After the teams have been announced, announce the match officials.

To Do List – During the Game (When appropriate):

- Read through the starting fives as the players enter the court prior to tip-off.
- Name the scorer of a basket when appropriate to the game (i.e. close game, impressive play).
- As a substitution occurs, the names and numbers of the players involved.

- The announcer shall be prohibited from interrupting the game through the use of the microphone unless there is an emergency.
- Announcements or comments shall be made during those times when there is a stoppage of the clock and the ball is not live, such as time outs, between quarters, pre- game, half time and post game.
- During a basketball game, announcers should announce the player who scored, the player charged with a foul, the player attempting a free throw, the team granted a time out and the length of the time out, and any players entering the game.
- Announcers should only announce basic information that does not potentially affect play in general, the players, the coaches, or the officials.
- Announcers should not comment on the decisions of the match officials.
- Announcers can influence the atmosphere of the contest by what is said and how it is said. The announcer who performs professionally promotes good sportsmanship by what they say and how they act upon saying it.

It is important that the Announcer always remain neutral. These positions are key components of game management. If for any reason an announcer or game entertainment can't remain neutral, the Home Team Game Day Delegate should be notified and relevant action taken.
