- 4.4 In the event of a tie in win percentage at the end of the season, this shall be resolved as follows:
- If there are two teams involved in this classification, the result(s) of the game(s) between the teams involved will be used to determine the placings.
 - In the event that the total points scored and conceded are the same in the games between the two teams, the classification will be determined by point difference taking into account the results of all games played in the league by both teams.
 - If more than two teams are equal in the placings, a second classification will be established taking into account only the results of the games between the teams that are tied.
 - In the event that there are still teams tied after the second classification, then point difference will be used to determine the placings, taking into account only the results of the games between the teams still tied.
 - If there are still teams tied, the placings will be determined using point difference from the results of all their games played in the league.
 - If at any stage using the above criteria, a multiple tie is reduced to a tie involving only two teams, the procedure in (a) and (b) will be applied.
 - If it is reduced to a tie still involving more than two teams, the procedure beginning with (c) is repeated.

Appendix 2

Disciplinary Guideline Document

Underlying Principles

Basketball is a fast sport played at professional, semi-professional and amateur level by athletic players. In such a sport situation will naturally arise that will require debate and disciplinary decisions, and BE's disciplinary system is there to support and protect all participants without sanitising the sport.

Each case must be judged on its merits and decisions reached by applying judgement and discretion.

Disciplinary guidelines

Regulation 11 of the U19 Elite Basketball League rule and regulations states that a system of cumulative "penalty points" will apply, and a one game suspension automatically comes into force whenever a person's total penalty points reaches (or exceeds) each of the following totals: 10, 15, 20, 25, 30, 35 etc.

The tables on pages 3 to 5 are to be used as guidelines only in respect of the type of disciplinary action that will be taken against all participants for improper conduct as detailed. They are not in any way definitive and the Disciplinary Officer/Compliance Manager/Panel will make their judgement as appropriate after taking into account all the evidence made available to them.

The after disqualification points column refers to actions of a participant after they have been disqualified, e.g. a player is disqualified for violent conduct, which will give them at least a one game ban, they then direct a stream of abuse at a participant or kick an advertising board, they will then get additional points on top of the points normally received for the 'act' of disqualification. The Disciplinary Guidelines will also apply to Spectators and Team Followers of their respective clubs.

The timeline for disciplinary will be found in appendix 1 of the U19 Elite Basketball League rules and regulations

Appeals

12. Appeals

- 12.1 An appeal may be made against a disciplinary decision (involving disciplinary action against the club or individual making the appeal), to the Compliance Manager of Basketball England within 7 days of the decision being known, unless otherwise specified.
- 12.2 A deposit of £250 for the appeal must be paid by 5:00 pm on the 7th working day after the initial decision.
- 12.3 The appeal should contain your full case for appeal at the point of submission. The basis for the appeal and which specific aspects are being appealed must be fully declared. Only the aspects and information listed in the appeal will be considered.
- 12.4 All statements and/or referee/official reports that have been submitted will be sent to the appellant within 7 working days of the launch of their appeal. This is done via email. Statements will be redacted where necessary in order to safeguard individuals involved. Some statements will not be sent to the appellant if there is a legal reason preventing the statements being shared (third party information, data protection, confidentiality agreements or laws, Local Authority advice or instruction, advice from statutory agencies).

- 12.5 At the conclusion of the appeal hearing, the Appeals Panel shall determine whether the appeal fee is returned to the appellant in full, part, or not at all. In addition, the Appeals Panel may award costs and expenses against the appellant as it deems appropriate.
- 12.6 If no appeal is launched and the appeals deadline has passed, the disciplinary decision will be deemed as final and the result will be disclosed to the party who made the initial complaint (if a complaint was made by an individual or club) for the purposes of transparency. The disciplinary outcome will be redacted where necessary in order to safeguard individuals involved.
- 12.7 Any decision of the Appeals Panel made in accordance with these regulations shall be final and binding on the parties. There is no further course of appeal and when launching an appeal all parties agree to these terms & condition.

Disciplinary procedures

Outstanding suspensions

Any suspension or part thereof which remains outstanding at the end of a season resulting from these disciplinary procedures must be served at the commencement of the next season, within the terms of these disciplinary procedures. Before a participant is eligible to serve a suspension in a following season they must be registered to compete with their respective team. No suspension can be served unless the participant's registration is fully complete. Once registered a suspension letter will be issued by Basketball England to highlight the fixtures/dates during that current season for which the carried over suspension should be served.

Re-arranged matches

The Disciplinary Officer shall have discretionary power to rule that a match shall not count towards the completion of a suspension if it is satisfied that the game has been arranged by the club with a view to enabling a player to complete his suspension and thus qualify him to play in a specific match.

Dismissals

Where a player is disqualified by the referees, he/she must leave the game, but not the venue, they may sit courtside until the game has ended. Where a coach or official is disqualified by the referees, he/she must leave the game and the playing venue, with the assistant coach/school/college personnel taking lead of the remainder of the game. The coach/Official will take no further part in the game (including not in a spectating capacity or via electronic devices such as mobile phones etc).

BE shall not tolerate violent conduct of any kind. Where a person registered with BE and the competitions they play in, is found to have committed an assault on another player, coach, official, referee and/or spectator, the person concerned shall be suspended in accordance with disciplinary sanctions herein. Where required, BE shall also supply names of officials and/or witnesses to relevant authorities should legal proceeding be instigated.

Grading & Description of offences

There are five possible grades for each offence. Grade 1 is the lowest level of offence and Grade 5 the most serious.

The most common offences are listed in the sentencing guidelines below with a description to assist all those concerned in referring to incidents in a standardised manner.
