

APPENDIX 8:

RTP BREACH - PROTOCOL AND SANCTIONS

The primary aim of the Return to Play is the health and safety of all our members, volunteers and staff as we return to basketball. As a consequence, we will be taking the breaching of the RTP guidance seriously. All individuals involved with basketball have the responsibility to keep the game free from COVID-19 and adhering to the guidance.

If an individual believes there has been a breach of the guidance putting the health and safety of other players, volunteers and staff at risk they are able to report this by phone (0300 600 1170) or email (support@basketballengland.co.uk).

We are approaching RTP breaches from a position of support and education rather than formal sanctions. However, if repeated breaches occur within a club/league setting we have the option of raising a formal cause for concern' which will be investigated in line with our existing complaints procedures.

Repeated RTP breach sanctions may include:

- Club being placed into a temporary lockdown situation
- Removal of insurance cover for the individual or club
- Reduction of points for teams
- Expulsion from leagues
