We are the most ambitious and the most improved university in the UK for sport and we pride ourselves on being able to provide a wide-ranging programme of sporting, health and fitness opportunities for staff, students and the wider community.

UEL Basketball has gone from strength to strength over the last six seasons. Having become one of UEL's focus sports with more and more players are choosing their education and basketball with us.

Tope Alli-Balogun heads up the Women's Basketball programme, also with a number of years' experience behind him. Tope is an assistant coach at the BA London Lions who play in the WBBL and for the recently formed Basketball England Aspire Programme for the London region. Alongside this, he also assists with the Hoopsfix All Star Classic weekend.

We are looking for a motivated individual to support Tope in running our Women's 2nd Team. Coaches must be a min Level 2 and available for training & to coach at matches on a Wednesday. This team is highly ambitious and looking to make their way through the BUCS Structure.
