The Jr. NBA is the official youth basketball participation program of the NBA. The Jr. NBA aims to develop a lifelong passion for the game of basketball in boys and girls by teaching them the fundamentals of the sport while instilling core values including teamwork, respect and sportsmanship. The Jr. NBA Philosophy is to share the game of basketball with youth across the world by teaching skills, values, and wellness in a positive and fun environment. The Jr. NBA's holistic approach is intended to strengthen the culture of youth basketball, teach life lessons, and empower youth to live a full and healthy life. The Jr. NBA believes this philosophy leads to developing complete and well-rounded basketball players and individuals. The Jr. NBA has created a wide diversity of programs such as The Coaches online, Stay Active or Her Time to Play. With them, they not only allow players to improve their basketball skills, they also aim to promote crucial life values such as equality or the importance of having an active lifestyle.
