

TEAM ENTRY PACK

Introduction

Welcome to the Basketball England National Basketball League! Whether you are a new club or a veteran entrant of the past 10 season we are delighted to have you part of our competitions this season. This document has been created to help clubs with all the administration required to guide their team/s through a successful NBL campaign.

The NBL provides performance-based club competitions that are available for senior and junior age groups across England. There are three tiers for age group competitions and multiple tiers at the senior level competition. These leagues assist in the development of the game and act as a stepping-stone into the more performance-based competitions.

The aims and objectives of the NBL Competitions are to:

- Offer competitive fixtures and leagues across the country for all junior age groups and senior competitions, for both male and female participants.
- To increase and improve the quality of the players, coaches, and clubs in England.
- To develop, increase and improve the quality of match officials.
- To increase the awareness of basketball across the country.
- To provide a competitive environment for talented players that are a part of the Basketball England Performance Pathway.

The information contained in this document including details of membership and licence fees as well as notable rules & regulations are reviewed every season and therefore are subject to change. If you have any further questions on the contents of this pack then please get in touch with us via the contact details found at the end of document.
