WELCOME

I'm delighted to welcome you to the inaugural Aspire All-Star National Tournament here at the National Basketball Performance Centre in Manchester.

For the first time, we will be featuring our young players as they represent our four Super Region and these games will showcase the best young players in England who have participated in the Aspire programme.

I'd like to thank the facility staff at the NBPC, plus the North West Region and their team, for hosting us and our team of officials for helping to put on what is sure to be a great weekend.

These young athletes are still at the development stage of their journey, and we want to celebrate their early success. It's also a chance to assess their growing fundamental skills and potential in a competitive, performance environment.

As you enjoy the contests this weekend, don't forget about our #GameTime campaign, which aims to raise awareness of the positive impact that our sport can have on people no matter who they are or where they're from.

We're aiming to engage 1 million people in basketball using the Commonwealth Games 2022, 3x3, #ProjectSwish and more.

To find out more, or to get involved in any capacity, head over to our website at

www.basketballengland.co.uk.

Enjoy the tournament and thank you for joining us.
