## NOTES:

- **U14 & U16** - Entry is via Local school clusters/County Led competitions that are organised via School Games Organisers. If no county competition is in place entry is via BE as a direct entry school. Schools can not enter both competitions unless clearly A & B teams.
- **County Competitions/Direct Entry** - Both competitive pathways meet at the Regional Round Stage. County competitions are primarily organised by existing School Clusters, School Games Organisers, Local School Associations & Basketball Clubs.
- **Premier Competitions** - It is important that your team competes in the right level of competition. Premier competitions are for teams that have Regional or National team standard players or have historically made schools finals at that particular age group. These leagues are direct entry to BE only.
