

This guidance is to be used for all International Sportsperson route governing body endorsement requests made on or after the 8 March 2022.

Section 1: Overview of governing body endorsements for the International Sportsperson route of the points-based system

This page provides a brief explanation of what endorsement requirements apply in respect of the International Sportsperson route of the points-based system.

Please note: The International Sportsperson route replaces T2 Sportsperson and the sporting section of the T5 (Temporary Worker) Creative or Sporting Worker route. The onus is on the applicant to ensure they are compliant with the Immigration Rules in force when they apply for a visa.

The International Sportsperson route is for elite sportspeople and coaches who:

- are internationally established and whose employment will make a significant contribution to the development of their sport at the highest level in the UK
- who will base themselves in the UK
- will be filling a post that cannot be filled by a suitable British citizen or person who has a right to enter or stay in the UK without restriction.

International Sportsperson (long term) is defined as a period of stay exceeding 12 months.

International Sportsperson (short term) is defined as a period of stay of 12 months or less.

The application process explained: migrants applying to come to the UK under the International Sportsperson route need to be sponsored by an organisation that has an International Sportsperson sponsor licence .

If you wish to sponsor such migrants, you must have a sponsor licence. Before you apply to the Home Office for a licence you must be endorsed by the **approved governing body** for your sport. This endorsement confirms to the Home Office that the application for a licence is from a genuine sports club (or equivalent) that has a legitimate requirement to bring migrants to the UK as sportspeople. Once licensed, you can assign certificates of sponsorship to a sportsperson or coach with a job offer that allows them to apply for entry clearance or permission to stay in the UK. Each individual must also have a personal endorsement from the **approved governing body** for their sport before you assign the certificate of sponsorship.

An **approved governing body** is one specified in [Appendix SGB](#) of the Immigration Rules. Such a governing body must be recognised by one of the home country

Basketball England governing body endorsement requirements

sports councils such as Sport England, and will have been approved by the Home Office before being included in [Appendix SGB](#) of the Immigration Rules.

Approved governing bodies will work within the Home Office's '[Code of practice for sports governing bodies](#)' and must comply with any immigration regulations, UK legislation and the principles of the points-based system as detailed on the [GOV.UK](#) website.

Length of endorsement

Governing body endorsements should be issued for a period appropriate to the period of approval for sponsorship, that is:

Type of application	Length of endorsement
Sponsor	4 years from date of issue.
Migrant	For an initial maximum period of 3 years, with a further extension of a maximum period of 3 years. If the contract is for fewer than 3 years, it will be issued for the length of the contract.

Change of employment

If a migrant is intending to change employer, their new employer must request a new governing body endorsement. The endorsement can be issued for the length of the contract or to the maximum period permitted within the route, whichever is the shorter. The new employer must assign a new certificate of sponsorship to the migrant to allow them to apply to the Home Office for new permission to stay. Permission to stay must be granted before the migrant can start work with the new employer.

Salary

The salary should be agreed as part of the contract between the migrant and the sponsor. This and the other conditions of employment should be at least equal to those normally given to a resident worker for the type of work undertaken.

Supplementary employment

International Sportsperson migrants are eligible to undertake supplementary employment under the Home Office supplementary employment regulations. The 'Supplementary employment' section [Workers and Temporary Workers: guidance for sponsors - Sponsor an International Sportsperson guidance](#) has more information on this.

Section 2: Requirements

This page explains Basketball England requirements under the International Sportsperson route. The endorsements apply to England, Scotland and Wales.

The following requirements have been agreed by the Home Office following consultation between Basketball England, Basketball Scotland, Basketball Wales, the British Basketball League, the Women's British Basketball League.

Dispute handling procedures

Where an application for either a player to play in a team or a coach to coach a team in one of the leagues covered by the requirements for a governing body endorsement as set out for International Sportsperson has been refused on the grounds that the player or coach fails to meet the published requirements, the sponsor may seek a review of the application. The sponsor will have 28 days to

Basketball England governing body endorsement requirements

request such a review. In these cases, Basketball England will refer the sponsor's evidence to an independent panel as set out below.

Where possible the sponsor's supporting evidence will be sent to the panel in advance for their consideration in order to allow an informed decision.

Sponsors should note that, in respect of any application, there will only be one panel available and the decision of the panel is final. Sponsors should therefore ensure that all evidence it wishes to present in support of its application is presented to the panel. If the sponsor has previously made an application that was unsuccessful at panel a further panel cannot be requested for the same player during the season unless his status changes and he meets the requirements whereby a new application can be submitted.

a. The Review

The request for a review may only be made by the sponsor for whom the governing body endorsement has been initially rejected by Basketball England.

A review shall be commenced by the appellant lodging with Basketball England and Governance Director, a notice of appeal within 28 days of the decision appealed against. The notice of appeal shall:

- i. set out details of the decision appealed against and, if the whole of the decision is not appealed against, identify that part of it which is appealed against;
- ii. set out in full the grounds of appeal and an appellant shall not be entitled to rely in any ground of appeal not set out in the notice of appeal; and
- iii. be accompanied by a deposit of £250. The panel shall have discretion as to whether the deposit is returned.

The procedure for appeal will be in accordance with the Disciplinary Regulations and the Panel shall be comprised as detailed below.

b. The Panel

The panel will be appointed by the Basketball England's Appeals Hearing Manager. The appointed panel shall consist of: an independent chairman, one representative of Basketball England (who has not been involved in the initial decision) and one representative of named further representatives.

c. Power of the Panel

An endorsement request may be refused if the Player does not meet the relevant criteria set out in this document or fails to provide the mandatory documents. Basketball England notify a Player in writing of any endorsement request which is refused setting out the reasons for refusal.

A Player shall have 7 days from the date of the written refusal to submit an appeal

Basketball England governing body endorsement requirements

in writing to Basketball England. A player may only appeal on the basis that Basketball England has not applied the endorsement criteria correctly.

Basketball England shall consider the appeal and any evidence submitted in support and shall, within 7 working days of the receipt of the appeal, notify the Player of its decision.

d. The Decision

The panel will make a decision using the above criteria which shall be final and binding. There are no other grounds of appeal.

Section 3: Process for applying for an endorsement

How to apply for governing body endorsements for International Sportsperson sponsor licence applications

Clubs eligible for an International Sportsperson Long Term Stay (Exceeding 12 months) sponsor licence governing body endorsement should use the application form in [Annex A](#).

Clubs eligible for a International Sportsperson Short Term Stay (12 months or less) sponsor licence governing body endorsement should use the application form in [Annex B](#).

All potential sponsors should note that the purpose of an endorsement for a prospective sponsor is to confirm to the Home Office officials processing sponsor applications that the application is from a bona fide sports club or equivalent that has a legitimate requirement to bring migrants to the UK as sportspeople. The Home Office has additional criteria for sponsors that must be met in order for a club to be granted a sponsor licence. It is not Basketball England who will grant a sponsor licence.

How to apply for governing body endorsements for International Sportsperson migrant applications

Once a club has obtained its sponsor licence from the Home Office, the sponsor will be able to apply for Certificates of Sponsorship, which it will allocate to migrants coming here to work for it. Each migrant that a club wishes to employ needs to be assigned a Certificate of Sponsorship. However, before a club can assign a Certificate of Sponsorship to a sportsperson, they will also have to obtain an endorsement from Basketball England for all applications made for individual sportspeople and coaches.

International Sportsperson Long Term Stay (Exceeding 12 months) clubs should use either:

[Annex C](#): International Sportsperson Long Term Stay (Exceeding 12 months) Migrant Governing Body Endorsement Application Form (Player)
