

## **JOB DESCRIPTION - BASKETBALL COACH**

The key role for a basketball coach on our Nike Basketball Camps is to be part of the team that take the junior players on a one or two-week basketball training programme. Working alongside the Head Coach, you will deliver a range of sessions based on our basketball coaching curriculum. You will have responsibility for students' welfare and supervision throughout these sessions and may also be required to supervise and support the players during other areas of their day-to-day life on camp.

1. Deliver a range of sessions in line with our basketball coaching curriculum, supported by the Nike Basketball Camps Head Coach
2. Positively contribute to the development, enjoyment, and safety of every player on the camp
3. Contribute towards player evaluations at the end of each camp
4. Hold daily meetings to build rapport and check welfare of players
5. Work with the Welfare Team to assist with wake ups, supervision of players between sessions, at mealtimes and during their free time
6. Join weekend excursions and help supervise players on the excursion
7. Assist in the organising and running of evening activities when required
8. If required, assist the airport staff teams at either Heathrow or Gatwick on arrivals/departures days.

## **PERSON SPECIFICATION - BASKETBALL COACH**

All staff will contribute to the overall smooth running of the camp. Ultimately the safety of children is paramount, and the high standards expected of working with top brands needs to be maintained. We expect high personal standards, friendly, positive and approachable staff who will always remain professional and calm. Staff will be able to handle sensitive situations well, adhering to confidentiality and data protection guidance, have excellent organisational skills, be good role models and be able to contribute to a positive working environment.

### **THE IDEAL CANDIDATE WILL:**

1. Have experience playing basketball at a high level
2. Have the ability to engage and excite young players who are gaining an insight into life as a professional athlete
3. Have previous basketball coaching experience
4. Have knowledge in skills and drills across all positions on the basketball court -with the ability to lead sessions on fundamental skills and their progression
5. Hold a basketball coaching qualification - essential
