- 10.1 The selection criteria set out below are those identified by BE's Head of Talent and Performance, Talent Programme and Pathway Manager for the 5v5 game, 3x3 Development Manager for the 3x3 game, and the Head Coach of each national team.
- 10.2 In developing this framework, it is acknowledged that Basketball is a team sport and whilst players can do a great deal to develop / perform as an individual, ultimately the player must be able to realise their potential and perform within a team. Acknowledgement is made that in selecting for a team sport, factors such as the combination of players and the balance of a squad shall be always considered by the selectors in determining selection to the Team.
- 10.3 The ability of players to play in more than one position is also considered alongside individual skill level.
- 10.4 Valid and robust selection in a multi-faceted team sport is most effectively achieved through the combination of expert decision making, the triangulation of multiple opinions (coaches), objective and subjective information, and effectively drawing together longitudinal information. It is the combination of these factors that contributes to effective and impactful individual and team selection. All selection decisions will be taken on the basis of relevant information and will be taken fairly and equitably.
- 10.5 The selection criteria below are not definitive and may be revised from time to time as a result of further comment and feedback from the Head of Talent and Performance, Talent Programme and Pathway Manager for the 5v5 game, 3x3 Development Manager for the 3x3 game, Head Coaches, and other relevant parties (e.g., Regional Talent Managers).

- b) Head Coach
- c) Regional Talent Manager (when applicable dependant on Age Group)

12.2 Where a conflict of interest exists, or where persons mentioned above are not available Basketball England reserves the right to nominate another suitably trained person to carry out their duties

## 13. Selection & De-Selection Processes

13.1 Selection decisions are the responsibility of the Head of Talent and Performance having consulted with the Head Coach and other support staff as required.

13.2 Final selections will be made at a selection meeting where, as a minimum, the Head Coach and Head of Talent and Performance will be present. In addition, the Talent Programme and Pathway Manager for the 5v5 game or the 3x3 Development Manager for the 3x3 game may be present to ensure that due process is followed.

13.3 Players will be notified of their selection or non-selection on a date that has been previously communicated and in a manner that has been pre-agreed between the Head Coach and the team. Players acknowledge and agree that they shall not be permitted to announce any selection decisions or information prior to authorisation to do so from the Head of Talent and Performance.

13.4 The Head Coach will be available to discuss the selection outcome with affected players if requested.

13.5 Prior to the date where at which the final team must be submitted, the Selection Panel retains the right to deselect or not to nominate a player on any grounds so long as it is in accordance with the selection criteria set out in this policy and / or injury / illness / fitness to compete or if the player is subject to any disciplinary procedure.

- 13.6 After the team selection has been completed, de-selection and selection of a replacement player will be administered by BE Head of Talent & Performance and will only be allowed in accordance with the Player Replacement Process which ordinarily provides for replacement in the case of injury and/or illness.
- 13.7 In the event of there being a query over the ability of a player to be able to compete to the best of his/her ability due to an injury or illness, pre- or post-selection, the following procedure will be followed:
- 13.7.1 The team physiotherapist and Chief Medical Officer (CMO) can require a player to undergo a medical examination to determine their fitness to participate. This examination will be carried out by the CMO or another Doctor designated by the CMO. If the player fails the medical examination, they will be withdrawn from the team and if appropriate, the Head Coach will select a replacement player.
- 13.7.2 If the player passes the medical examination carried out in accordance with (13.7.1) above but the coaching and / or support staff still have concerns over whether or not the player is able to compete to the best of their ability due to the underlying injury or illness, the team physiotherapist or CMO can require the player to undergo a set of sports specific performance tests where the results will be compared to the player's previous relevant test results. The tests can be repeated more than once and within a short timeframe if required and will be carried out by either the team physiotherapist and/or strength and conditioning coach plus Head or Assistant Coach. If, as a result of the injury the player does not meet the required test levels, they will be withdrawn from the Team on medical grounds and, if appropriate, a replacement will be nominated by the Head Coach. If the player reaches the required test levels but concerns remain in relation to a player's ability to perform (e.g. in a tournament environment) a final selection decision will be made by the Head of Talent and Performance.

#### 14. **Player Replacement Process**

- 14.1 The replacement process ensures that if a player is injured or unable to participate due to unforeseen circumstances, a transparent framework is in place to replace them with another player who can contribute to the team's success.
- 14.2 The priority is to replace the player with someone from within the squad who is of a similar skill level and has experience playing the same position. If a suitable replacement cannot be found within the squad, options will be explored outside the team, such as inviting players to try out for the position or seeking out players within the Talent Pathway.
- 14.3 Decisions related to replacement players will be made by the Replacement Selection Panel, with consideration of the Selection Criteria outlined in this policy. The affected player(s) and their family will be consulted and updated as appropriate. The aim is to maintain the integrity of the team, ensuring the team can continue to compete at a high level, while also supporting the affected player in their recovery or other circumstances.
- 14.4 The Replacement Selection Panel is comprised of:
- 14.4.1 Basketball England Head of Talent and Performance
- 14.4.2 Head Coach
- 14.4.3 Regional Talent Manager (when applicable dependant on Age Group)
- 14.5 Where a conflict of interest exists, or where persons mentioned above are not available Basketball England reserves the right to nominate another suitably trained person to carry out their duties.

15. **Monitoring**

- 15.1 Basketball England will continue to monitor the effectiveness of this Policy in accordance with meeting the policy objectives.

16. **General conditions**

- 16.1 Players in breach of Basketball England policies pertaining to the team code of conduct and Talent Behaviours may be de-selected.
