### UNDERLYING PRINCIPLES

Basketball is a fast sport played at professional, semi-professional and amateur level by athletic players. In such a sport situation will naturally arise that will require debate and disciplinary decisions, and BE's disciplinary system is there to support and protect all participants without sanitising the sport.

Each case must be judged on its merits and decisions reached by applying judgement and discretion.

### DISCIPLINARY GUIDELINES

Regulation 11 of the U19 Elite Basketball League rule and regulations states that a system of cumulative "penalty points" will apply, and a one game suspension automatically comes into force whenever a person's total penalty points reaches (or exceeds) each of the following totals: 10, 15, 20, 25, 30, 35 etc.

The tables on pages 3 to 5 are to be used as guidelines only in respect of the type of disciplinary action that will be taken against all participants for improper conduct as detailed. They are not in any way definitive and the Disciplinary Officer/Compliance Manager/Panel will make their judgement as appropriate after taking into account all the evidence made available to them.

The after disqualification points column refers to actions of a participant after they have been disqualified, e.g. a player is disqualified for violent conduct, which will give them at least a one game ban, they then direct a stream of abuse at a participant or kick an advertising board, they will then get additional points on top of the points normally received for the 'act' of disqualification. The Disciplinary Guidelines will also apply to Spectators and Team Followers of their respective clubs.

The timeline for disciplinary will be found in appendix 1 of the U19 Elite Basketball League rules and regulations.

Basketball England reserve the right in appropriate cases at their sole discretion raise misconduct charges in addition to or instead of action taken within these procedures, in accordance with the BE Discipline Code

### DISCIPLINARY PROCEDURES

#### OUTSTANDING SUSPENSIONS

Any suspension or part thereof which remains outstanding at the end of a season resulting from these disciplinary procedures must be served at the commencement of the next season, within the terms of these disciplinary procedures. Before a participant is eligible to serve a suspension in a following season they must be registered to compete with their respective team. No suspension can be served unless the participant's registration is fully complete. Once registered a suspension letter will be issued by Basketball England to highlight the fixtures/dates during that current season for which the carried over suspension should be served.

#### RE-ARRANGED MATCHES

The Disciplinary Officer shall have discretionary power to rule that a match shall not count towards the completion of a suspension if it is satisfied that the game has been arranged by the club with a view to enabling a player to complete his suspension and thus qualify him to play in a specific match.

#### DISMISSALS

Where a player is disqualified by the referees, he/she must leave the game, but not the venue, they may sit courtside until the game has ended. Where a coach or official is disqualified by the referees, he/she must leave

the game and the playing venue, with the assistant coach/school/college personnel taking lead of the remainder of the game. The coach/Official will take no further part in the game (including not in a spectating capacity or via electronic devices such as mobile phones etc).

BE shall not tolerate discriminatory or violent conduct of any kind. Any incidents deemed Serious Offences will be referred to Basketball England to investigate and consider under the BE Disciplinary Code. .

## **GRADING & DESCRIPTION OF OFFENCES**

There are five possible grades for each offence. Grade 1 is the lowest level of offence and Grade 5 the most serious.

The most common offences are listed in the sentencing guidelines below with a description to assist all those concerned in referring to incidents in a standardised manner.

Any misconduct by match officials shall be considered under the Disciplinary Code.

Sanctions for any case heard under the Basketball England Disciplinary Code will be at the discretion of a Disciplinary Panel.
